#### Action Taken Report on Feedback Analysis (2018-2023)

The feedback collected from various stakeholders was analyzed and suggestions were discussed with college authorities and then appropriate actions were taken. As per feedback analysis report of students, about 70% of the students are satisfied with teaching and that syllabi of various courses are covered on time in class. 52% of the students agreed that institute takes active interest in promoting internship, and field visit opportunities for students. 66% of the students agreed that mentor does necessary follow-up with assignments and project works. 67% students are strongly satisfied with the overall quality of education of the institute.

S. No.	Feedback/Suggestions from the students	Action Taken
1.	New teaching techniques, ICT tools should be used.	As per suggestions given by students, Principal conducts meeting with IQAC members and HOD's in the beginning of the academic session to encourage faculty members to use more ICT tools along with blackboard teaching. Projectors are installed in various lecture theaters and laboratories. Virtual labs are being set up in Science departments.
2.	Recent research developments and practicals should be added in the curriculum.	To give practical exposure to the students, extra-curricular activities/ seminars/ workshops are organized by different departments. To enhance the practical knowledge of students, project work/dissertations are introduced in various courses. Guest lectures are also organized by various departments.
3.	Educational trips should be organised	Regular field visits/ visits to botanical gardens/ wildlife sanctuaries/ industrial visits are organized for the students.
4.	Students must be given instructions related to government jobs	Career Guidance cell and Placement Cell continuously provides information and instructions to students about various private and government jobs. Career counseling seminars are organized to help students explore the future opportunities

#### Feedback Analysis and Action Taken Report: Alumni (2018-2023)

According to the feedback report, the majority of students concurred with the pricing structure, project assistance, and support material quality. They also supported the initiatives for college training and job placement. Students overwhelmingly supported the educational programs and library resources. Alumni correspondence unanimously endorsed the college's teaching and learning environment. The atmosphere of the college, the hostel amenities, and the skill-oriented programs were all praised by former students. Students are in awe of the college ecological initiatives that are improving the environment. The ideas made by the alumni were documented and reviewed with IQAC in order to improve the overall process.

Sr. No.	Feedback/ Suggestions from Alumni	Action Taken
1	Modification in the admission procedure	Earlier the admission procedure of the college was offline. The college started the online admission process from session 2015-16. Then Government of Punjab started online process of admission on centralized admission portal of Government of Punjab from session 2021-22.
2	Upgrade alumni association	Annual alumni meet is conducted every year during convocation.
3	Improvement of Canteen facilities	The ambience of the canteen has been enhanced. The college canteen committee regularly checks the food preparation, hygiene and cleanliness.
4	Hostel facilities should be improved	Hostel rooms, washrooms and food mess are renovated and a ramp is constructed for vertical climbs.
5	Upgrade the infrastructure and laboratory facilities	Laboratory infrastructure and facilities are upgraded according the requirements and curriculum.
