No.: CERT/2023/035

Date: May. 18, 2023

Certificate of Energy/Environment/Green Performance

Name of the Institute: Saroop Rani Government College for Women

Address: Rani Ka Bagh, McLeod Road, Amritsar (Punjab) - 143 001

The institution is a State Government owned College providing undergraduate and post graduate courses for the female students of the region. The college is affiliated with the Guru Nank Dev University, Amritsar.

The institution has availed the services of the undersigned for conducting a comprehensive audit of the Institute's performance on following areas;

1. Greening of campus
2. Energy aspects
3. Environmental aspects (including waste management)
4. Academic and extra-curricular efforts towards educating students on sustainability issues
5. Social out-reach/beyond campus activities (concerning sustainability issues)

A team of the institute under the co-ordination of **Ms. Kiranjit Bal, Associate Professor in Botany**, was engaged to support the audit.

The audit was conducted using established protocols and procedures and the methodology included;

1. Physical inspection of the campus
2. Data collection through defined checklists and schedules
3. Validation of data/information provided
4. In person consultation with the students and staff

The findings of the audit are outlined as under;

- **The institute has provided true and up-to-date data/information**
- **The institute is in unequivocal compliance with the applicable statutory requirements**
- **The institute has demonstrated commendable performance in all the areas (of audit)**
