

Saroop Rani Government College for Women, Amritsar

Policy Document

The Green Campus, Energy and Environment Policy focuses on promoting sustainability and environmental conservation within the college campus with a strong emphasis on maintaining a clean & green campus and promoting awareness with active involvement of students and the wider community.

The objectives and policy measures are as follows:

Policy Objectives:

Preservation of Ecological System: The policy aims to safeguard and preserve the ecological system and resources present within the college campus.

Climate Protection and Adaptation: It aims to enhance efforts done by institution both in mitigating climate change and adapting to its impacts.

Resource Efficiency: The policy strives to improve the efficient use of energy and water.

Policy Measures:

Clean Campus Initiatives: College is committed to implementing the following initiatives like tree plantation, celebrating special environment days; promote cleanliness and hygiene within the campus.

Awareness Campaigns: Regular cleanliness drives will be organized to raise awareness among students about the importance of cleanliness and hygiene, encouraging active participation from all.

Community Engagement: NSS and NCC volunteers at the college will actively integrate activities related to community work, extending the impact beyond the campus boundaries.

Educational Activities: Various educational activities, including competitions like poster/ slogan contests, essay writing, poetry, skits/ nukkad natak will be organized to engage students.

Awareness Rallies: Rallies will be conducted within and around the college campus to raise general environmental awareness and encourage participation in cleanliness efforts.

Energy Conservation: Implementing eco-friendly electrical devices that conserve energy and minimize unnecessary wastage.

Water Conservation: This will be carried out through rain water harvesting to replenish and recharge ground water table.

Waste Management: Effective waste management practices to ensure a clean and sustainable campus.
