

IQAC Meeting

The Principal Prof Dr. Daljit Kaur chaired the monthly IQAC meeting as per the directives of office of DPI(c) Punjab on 3rd December 2022. The meeting was attended by IQAC members and NAAC criteria heads. The key points touched by the chairperson were as follows:

- Quality initiatives undertaken by all the departments along with SWOC analysis
- Proposal for Seminar/Conferences in 2023
- Placement activities
- Field trips/ Educational trips
- Capacity building for Faculty members

a) Quality initiatives undertaken by all the departments along with SWOC analysis:

The Principal clearly stated that all the departments need to evaluate their student-centric activities and add innovative aspect to the activities. She said that the teaching-learning should be made interesting by adding creative as well as practical activities related to the course.

b) Hosting Seminar/Conferences in 2023

The proposal for hosting Seminar/Conferences in the next session was discussed.

c) Placement activities

The essence of the vision and mission of the college is to make the young girls empowered, the need to boost the placement and career counseling activities was deliberated thoroughly.

d) Field trips/ Educational trips

To propel the holistic development of the students, the need to undertake field as well as educational trips was discussed. All were unanimous on the view that the students need exposure as well as experience outside the walls of classroom.

e) Capacity building for Faculty members

With a view to enhance ICT acumen among the teaching faculty, hands on training as well as sharing the latest knowledge about the ICT tools that can aid teaching will be organized by the IT department of the college.

The hour long meeting helped in chalking the proposed quality road map for the upcoming semester.
